### **Annual Vibe II The Videolight Musical and Artistic Showcase.**

Elevated Grounds (EG) youth empowerment group takes performing arts and youth engagement to the next level with **Vibe II the Videolight 2007**; an edgy musical and talent showcase that will use song, dance and theatrical production to tackle issues confronting today's youth.

The showcase event will take place on **Saturday, October 27, 2007, from 6.00p.m.-9.00p.m.**, in the auditorium at **Stephen Leacock Collegiate Institute, 2450 Birchmount Road. Admission is \$15.00 general and \$10.00. for students (with valid student card).**

In this by-youth for-youth theatrical production, some of Toronto's finest young talent will grace the stage as actors in EG's musical production entitled "**The Enemy Within.**" The play stars a cast of young people with an interest in the performing arts and it is a creative and vibrant manifestation of their natural talents honed as participants in EG's artistic and self-development workshops held this summer.

The event will be hosted by two of Toronto's youthful talent, **Subliminal "The Human Beat Boxer"**, and **"Syrenity,"** the late night sensation from **FLOW 93.5**, and capped off with performances by the city's hottest artistes "**Humble**", "**Rochester aka Juice**", "**Baby Boyz**", and one of Toronto's hottest band of talented young musicians known as "**Quintessential Boys.**"

"The **Elevated Grounds Program** and its **Vibe to the Videolight Showcase** are vital avenues for youth to demonstrate how the arts should be used to achieve positive, wholesome expression about issues that concern them. "The youths involved in our program are offered the opportunity to engage not only in developing themselves artistically, but also learn about personal, social and community development" said Kaje Johnson, Project Director of Elevated Grounds. "We strive to develop young artistes with a positive, social conscience." added Ms. Johnson.
